वर्ष 1976-77 के लिये हैदराबाद विश्वविद्यालय का लेखापरीक्षा प्रतिवेदन

्रिहैदराबाद विश्वविद्यालय की स्थापना हैदराबाद विश्वविद्यालय श्रधिनियम 1974 के श्रन्तर्गन हुई थी जो, 2 श्रक्तूबर, 1974 में शुरू हक्षाथा । पहले उपकुलानि ने 1 नवम्बर, 1974 से कार्यभार सभाला था ।

मार्च, 1975 में कार्यकारी परिषद् ने विभिन्न विषयों में सात वर्गी की स्थापना करने का निर्णय किया, मार्च, 1977 तक खोजे गये पाठ्यक्रमों के ब्यौरे श्रीर श्रन्य विवरण निम्नलिखित है:---

| वर्ग | पाठ्यक्रम | चालू होने की तारीख | दाखिल किये गये विद्यार्थियों की संख्या |
|----------------------------------|---|--------------------|---|
| मानविकी | थ्रग्रेज ी-स् नातकोत्तर | 17-11-1975 | 1975— 6 1976—26 |

| सामाजिक विज्ञान | प्र र्थशास्त्र | 1-1-1976 | 5 |
| जीवन विज्ञान | जीव-रसायन तकनीक | 1-1-1976 | 3 |

जबिक विश्वविद्यालय श्रनुदान श्रायोग द्वारा प्रोफेसरों, प्रवाचको श्रीर प्राध्यापको के 26 पद संस्वीकृत किये गय थे, विश्वविद्यालय ने मार्च, 1977 तक 12 संकाय सदस्य ही नियुक्त किए थे।

वित्त व्यवस्था:

विषयविद्यालय पूर्णतया विषयविद्यालय श्रनुदान श्रायोग द्वारा वित्तपोषित कियाजाता है श्रीर उसने मार्च, 1979 के श्रन्त तक उमे ६ करोड़ रुपये उपलब्ध कराना मान लियाथा । 1974-75 श्रीर 1976-77 के दौरान विष्यविद्यालय श्रनुदान श्रायोग द्वारा श्रदा की गई राणि के ब्यौरे नीचे दिए जाते हैं:——

| वर्ष | | | | | | | | श्रदाकी गर | र िमा |

| | | | | | | | . | 59.69 | 197.08 |

II. पुरानी पत्निकाओं की खरीद:

1975-76 ग्रीर 1976-77 की ग्रवधि के दौरान विष्वविद्यालय ने क्रमणः 38.07 लाख रुपये ग्रीर 12.88 लाख रुपये मूल्य की पुरानी पित्तकाग्रों की खरीद के लिये फर्मों को श्रादेश भेजे। विष्वविद्यालय के श्रिभिलेखो की नमूना जांच से निम्नलिखित बातों का पताचलाः

(i) पित्रकाम्रोकी खरीद विश्वविद्यालय के म्रायोजना बोर्ड द्वारा नियुक्त कार्यचालन दलों की सिफारिशों के म्राधार पर की गई बताई गईथी। लेखापरीक्षा के दौरान भौतिकी से सम्बन्धित पित्रकाम्रों की खरीद की नमूना जांच सम्बन्ध संचालन दलों की सिफारिशों के मंदर्भ में की गईथी तथापि भ्रन्य विषयों से सम्बन्धित पित्रकाम्रों की खरीद की उसी प्रकार की नमूना जांच नहीं की जा सकी थी क्योंकि कार्यचालन दल की सिफारिशों लेखा परीक्षा को फरवरी 1978 तक उपलब्ध नहीं कराई गई थी हालांकि वे मांगी गई थी (दिसम्बर, 1977)।

(i) 1976-77 के दौरान पुरानी पित्तकाओं की पूर्ति के लिये 6 मे 9 फर्मी (श्रिधिकांश रूप मे 6 फर्मे) से दर निविदाएं श्रामंत्रित की गई थी और उन की प्राप्ति के लिए लगभग 3 सप्ताह का समय दिया गया था। निश्चित तारीख को निविदा खोले जाने की सामान्य प्रित्रिया के विपरीत दर निविदाए, उसी समय खोल ली गई थी जबिक वे प्राप्त हुई थी। फर्म के मामले में पहले प्रस्तुत की गई कुछ दर निविदाएं 25 श्रप्रैल,1976 को इस प्रकार से संशोधिन कर दी गई थी कि वह निस्तनम निविदाता हो गई थी। विश्वविद्यालय द्वारा अन्य निविदाकारों को कोई श्रवसर दिए बिना ही इन्हें स्वीकार कर लिया गया था। संशोधित दर निविदाशों की प्राप्ति के बाद फर्म को भेजे गए श्रादेश का मूल्य 4.36 लाख कपये था।

III. रोड-रोलरों की खरीद:

श्रक्तूबर/नवम्बर, 1975 में परिसर में सड़के विछाने में प्रयोगकरने के लिये विश्वविद्यालय ने 8/10 दशमिकटन की क्षमता वाले रोड-रोलरों की श्रापूर्ति के लिये मेंसर्स गार्डन रीच वर्कशाप में 1.21 लाख रुपये की श्रीर हैदराबाद की फर्स के में 1.56 लाख रुपये की दर निविदा प्राप्त की । तथापि इन में से किसी भी फर्म को श्रादेश नहीं भेजा गया। तथापि मार्च, 1977 में एक गैर-मरकरी फर्म 'ख' को 1.56 लाख रुपये पर एक रोड-रोलरों की पूर्ति करने के लिये इस ब्राधार पर श्रादेश भेजा कि:

- (i) श्रान्ध्रप्रदेण सरकार ने भितम्बर 1976 में उस फर्म को उसी दर पर ऐसे 22 रोड रोलरों की पूर्ति करने का आदेश भोजा था,
- (ii) विदेशी माइल के आधारपर वितिमित उस तरहका रोजर संगवतः एक मात्र ऐपा रोड-रोजर था जो सड़क के आधिक बड़े क्षेत्रपर काम कर सकताथा,
- (iii) इसमें 43 श्रश्व शक्ति श्रौर 2,000 परिक्रमण प्रति मिनट वाला डीजल इंजन लगा या जबकि दूसरे रोड-रोलरों में 33 से 35.3 श्रश्व शक्ति श्रौर 1,500 परिक्रमण प्रतिमिनट वाले इंजन होते हैं।

चूंकि गार्डन रीच वर्कणाप सरकारी श्रीर श्रन्य विभागों को बड़ी संख्या में रोड-रोलरों की पूर्ति कर रही है, श्रतः श्रधिक लागत वाले रोड-रोलरों की खरीद/विगेष कर विश्वविद्यालय की समिति श्रावश्यकता से संदर्भ में न्यायसंगत नहीं थी ।

IV. बिजली के बिलों की खरीद:

फरबरी, 1977 में विश्वविद्यालय ने एक फर्म को 0.60 लाख रु० मूल्य के विभिन्न आकार के केविल की पूर्ति के लिये एक फर्म का श्रादेश भेजा। खरीद के विषय में जाच करने पर पता चला कि वित्त विभाग ने सलाह दी थी कि जैसा कि श्रारम्भ में सुझाव दिया गया था ऊपरि लाइन में, एलयूमिनीयम के विलो का विछाया जाना पर्याप्त होगा और यह किफायती भी रहेगा। तथापि भूमिगत लाइनें विछाने के लिये अधिक कीमती के बिल इस श्राधार पर खरीदे गये कि उपरि लाइनों के रख-रखाव की लागत काफी श्रिष्ठिक होगी। श्रीधिक लागत वाले केविल बिछाए जाने के कारण 0.30 लाख रु० का श्रीतिरिक्त ब्यय हुआ।

V. वैज्ञानिक उपकरणों की खरीद:

1975-76 श्रौर 1976-77 के दौरान विश्वविद्यालय द्वारा 58.65 लाख रु० मूल्य के वैज्ञानिक उपस्कर खरीदे गए थे। यद्यपि यह बताया गया था कि वे उपस्कर विशेषक समिति की मिफारिश पर खरीदे गए थे, वे सिफारिश लेखापरीक्षा द्वारा जांच किए जाने के लिये प्रस्तुत नहीं की गई थीं। इनमें मितम्बर, 1976 से दिसम्बर, 1976 की श्रविध के दौरान प्राप्ति 39.52 लाख रु० मृत्य के विदेशी उपस्कर भी शामिल थे। श्रभी तक इन्हें न तो प्रतिष्ठापित किया गया है श्रौर न ही प्रयोग में लाया है।

AUDIT REPORT ON UNIVERSITY OF HYDERABAD FOR THE YEAR 1976-77

1. Introductory-

The University of Hyderabad was established under the University of Hyderabad Act, 1974, which came into force on 2nd October 1974. The first Vice-Chancellor assumed charge on 1st November 1974.

The Executive Council decided in March 1975 to establish seven schools in various disciplines. Particulars of courses opened upto March 1977 and other details are as follows:

| School | | | Courses | Date of Commencement | | Number of students admitted |
|---|---|---|--|-------------------------|-------|--------------------------------|
| Humanities | | | English | 17-11-75 | 1975- | 6 |
| | | | M.A. | | 1976 | 26 |

| Social Sciences | | | Economics | 1-1-76 | | 5 |
| Life Sciences | | | Biochemical Techniques | 1-1-76 | | 3 |

As against 26 posts of Professors, Readers and Lecturers sanctioned by the University Grants Commission the University appointed 12 faculty members upto March 1977.

8-419GI/78

Finances

The University is wholly financed by the University Grants Commission and Rs. 6.00 crores were agreed to be made available till the end of March 1979. Particulars of amounts paid by the University Grants Commission during 1974-75 to 1976-77 are given below.

| Year | Amour | Amount paid | | |

II Purchase of back volumes of Periodicals:

During the period 1975-76 and 1976-77, the University placed orders on firms for purchase of back volumes of periodicals valued at Rs 38 07 lakhs and Rs 12 88 lakhs respectively. A test check of the records of the University disclosed the following:—

- (1) The purchases of periodicals were stated to have been made on the basis of the recommendations of the working groups appointed by the Planning Board of the University. The purchases of periodicals relating to physics were test checked during audit with reference to recommendations of the relevant working group; purchases relating to other subjects could not however be subject to similar test check as the recommendations of the working group were not made available to adult till February 1978 though called for (December 1977)
- (u) During 1976-77, quotations were invited from 6 to 9 films (mostly six firms) for the supply of back volumes of periodicals giving about three weeks time for their receipt. The quotations were opened as and when they were received in confit vention of the normal procedure for opening tenders on a specified date. In the case of firm 'A' some of the quotations given earlier, were revised on 25th. April 1976 in such a way that it had become the lowest tenderer. This was accepted by the University without giving opportunity to other teriders. The value of orders placed on this firm subsequent to the receipt of revised quotations amounted to Rs. 4 36 lakhs.

III Purchase of Road Roller:-

In October/November 1975, the University obtained quotations for the supply of road roller 8/10 tonnes capacity for use in the laying of Campus roads from M/s. Garden Reach Workshops, Calcutta for Rs. 1 21 lakhs and from hrm. 'A' of Hyderabad for Rs. 1 56 lakhs No order was, however, placed on any of these firms. However, in March 1977 order for the supply of a Road roller for Rs. 1 56 lakhs was made on a private firm 'B' on the grounds that

- (i) the Government of Andhia Pradesh had in September 1976 placed oders for the supply of 22 such road rollers with that firm at that rate,
- (n) the bland was probably the only road roller manufactured after a foreign model having larger coverage of area of the road,
- (iii) it was powered by a 43 Horse Power, 2,000 RPM diesel engine whereas the other brand had 33 to 35.3 Horse Power and 1,500 RPM.

As the Garden Reach Workshops have been supplying road rollers in large numbers to government Departments and others, the purchase of a costlicr road roller was not justified especially in the context of the University's limited requirements.

IV. Purchase of Power Cables :

In February 1977, the University placed an order on a firm for the supply of cables of various sizes costing Rs 0 60 lakh. A scrutiny of the purchases disclosed that Finance advised that the laying of over head lines with Aluminium cables, as proposed initially, would be sufficient and it would be economical. However, the costlier cables were purchased for laying underground lines on the ground that the maintenance cost of over head lines would be quite heavy. The laying of the costlier cable has resulted in an extra expenditure of Rs. 0 30 lakh.

V. Purchase of Scientific equipment:

During 1975-76 and 1976-77, Scientific Lquipment worth Rs. 58.65 lakks were purchased by the University. Though it was stated that they were purchased on the recommendations of the Expert Committee, the recommendations were not produced for scrutiny by Audit. These included Foreign equipment valued Rs. 39.52 lakk received during the period September 1976 to December 1976. These have not been installed and put to use yet.

AUDIT CERTIFICATE

I have examined the foregoing accounts and the Balance Sheet of the University of Hyderabad as at 31st March, 1977. I have obtained all the information and explanations that I have required and subject to the observations in the separate Audit Report, I certify, as a result of my Audit, that in my opinion, these accounts and the Balance Sheet are properly drawn up so as to exhibit a true and fair view of the state of affairs of the University according to the best of my information and explanations given to me and as shown by the books of the University

OBSERVATION OF THE EXECUTIVE COUNCIL ON THE

AUDIT REPORT FOR THE YEAR 1976-77

I. Introductory:

Though the Executive Council decided to establish 7 Schools in various disciplines in March, 1975 approval of the Ministry of Education, Govt. of India for the same was received only in September, 1975. Immediately thereafter, M.A./M.Phil. Courses were introduced in certain subjects from November, 1975 with the assistance of some Central Institutions at Hyderabad. Due to the late starting of these courses during the session 1975-76, they had to be extended upto December, 1976/January, 1977. However, admissions to the second batch of M.A. courses in English was made in July/August, 1976 as this course did not require any laboratory facilities.

After the completion of the extended session of 1976-77 upto December, 1976/January, 1977, according to the decision of the Execuitve Council and Academic Council, the next batch of the students were to be admitted during July/August, 1977 to coincide with the admissions and terms of other Universitites for the session 1977-78. Admission for M.A., M. Sc., M. Phil & Ph. D. to all the Schools except School of Environmental Geosciences (where the U.G.C. has advised that its starting may be deferred to the VI Plan were completed in August, 1977 and the courses were started on 8th August with the facilities provided by the University, viz., buildings, laboratories staff etc. (except the courses for Computer Methods and Economics which are, for the present, conducted in other Institutions).

Though the Commission, to begin with, sanctioned two to three Senior posts for each School, being a new University, the recruitment of the staff had to be made very carefully and cautiously ensuring selection of the best candidates to hold senior positions. Moreover, the University made efforts to make selective appointments to such of the Schools which it wanted to function according to certain priorities from the Session 1977-78. At the initial stage the appointments aimed at were of the Professors who according to the Statutes had to be members of the selection Committee for recruitment of Readers and Lecturers. Such a person in each School, it was felt, should be identified and selected first, so that he could be associated with further recruitments in the School.

Recruitment of teaching staff according to the procedure prescribed by the Statutes involve elaborate processing such as advertising the posts, constitution of Selection Committees with the approval of various bodies, holding of meetings of the Selection Committees after ascertaining convenience of the Visitor's nominee and other experts on the Committees. Statutory requirements necessitate the presence of all the members of Selection Committee (six persons) at the time of the meetings.

It may be mentioned that ever since the approval of the Visiting Committee Report in March, 1977 by the U.G.C., the University has been making all efforts to fill up the faculty positions as early as possible. The U.G.C. has also advised that the starting of the School of Environmental Geo-Sciences may be deferred to the VI Plan.

II. Purchase of Back Volumes And Periodicals

- (i) The recommendations relating to the purchase of Back Volumes of Journals and periodicals relating to Mathematics, Philosophy and Geosciences asked for by Audit on 17-2-1978 have since been produced to Audit and these have been returned by them stating that they have no remarks to offer.
- (ii) The trade of Back Volumes is highly specialised and only a few firms are dealing in the sale of back volumes. The firms selected are the major dealers in the periodical trade and for purpose of quotations six to nine firms were considered to be quite sufficient.
- (111) Judged from the response of about 90% in the receipt of quotations, the period of three weeks time given for the purpose may be seen to be adequate. There had been no complaints from any firm in this regard. No requests for extension of time were received from any firm.

- (iv) The University in the initial stages had been functioning with new recruits and almost raw hands, resulting, in the kind of omissions noticed by the Audit It needs, however, to be mentioned that no date regarding the opening of the quotations on a specified date had been mentioned The suggestions of Audit in this connection have been carefully noted for compliance in future.
- (v) In response to enquiries regarding several periodicals, the film 'A' did not quote originally for the entire period desired by the University in several cases. However, on their own accord, they supplemented the quotations covering the entire period, on 25-4-1976. No revision of officis was received from any other firm. As their offer was the lowest, it was accepted.

In this connection it is mentioned that in two other cases the firm 'A' gave a further reduction of 10% on purchase of periodicals for total value of Rs 1,25,000/- and a reduction of 18.4% on purchase of periodicals worth Rs. 46,960/- for items on which they were already the lowest amongst those who had quoted. It may thus be seen that the orders were placed on the firm only on consideration of economy and interest of the University

The value of orders placed based on revised quotations was only Rs 97,085/-

III. Purchase of Road Roller :—The University required just one road roller, which, however, has to serve till the final development of the Campus, programmed in three phases which may extend for well over 15 years. This would also enable the University to do the Road Work departmentally at much lower rates than getting the work done through contractors. It was, therefore, decided to go in for a road roller will strudy fabricated steel wheels rather than the one with cast iron wheels which are liable to crack. M/S. Garden Reach Workshop who quoted for the letter type initially were addressed to cote for a road roller with fabricated wheels. But they expressed their inabilitity to quote for such a roller and hence they were not considered further. Firm 'A' however, repeated their offer in January and February, 1977. The rate quoted by them was higher than that quoted by Firm 'B'. Further, on quality considerations also the Road Roller offered by Firm 'B' was selected.

The difference in cost between cast iron wheels and fabricated steel wheels, itself accounts substantially for the difference in prices between the Road Rollers offered by Firm 'B' and M/s Garden Reach Workshop. Moreover the Government of Andhra Pradesh had earlier placed orders in September 1976 for supply of 22 such Road Rollers with firm 'B', with whom the University placed the order. The order was also placed at the same price accepted by the State Government. This firm's Road Roller is manufactured after a well known foreign model having an extra heavy duty gear box and having a larger coverage of the road than the Garden Reach Model. It is also powered by a stronger diesel engine of 43HP 2000 RPM whereas the Garden Reach Model has an engine of 33.5 HP 1500 RPM. It also has a shorter turning radius than the Garden Reach model.

In view of the advantages mentioned above the purchase of the road toller with fabricated steel wheels by the University was justified.

IV Purchase of Power Cables —Although the initial capital cost of laying over head power lines is cheaper than laying underground cables, underground cables with much less maintenance will work out to be more economical in the long run as compared to over head power lines. Further, under ground cables are more reliable for continuity of power supply being less liable to break-downs, sabotage, natural calamities and accidents. Aesthetically they will not spoil the beauty of the campus unlike overhead lines which would be messy. On the recommendations of the Monitoring Committee constituted by the University to advise it on the campus development, the Executive Council of the University have decided that underground cables should be adopted and overhead lines avoided as far as possible. It is understood that the Osmania University and the Agriculture University in Hyderabad are also changing over to underground cables and the Andhra Pradesh State Electricity Board have also recently awarded a contract for changing overhead lines into underground cables for street lighting in Hyderabad city

Taking all these factors into consideration laying underground aluminium cables instead of overhead lines was justified.

V. Purchase of Scientific Equipment

- 1. The amount of Rs 58.65 lakhs representing the cost of imported scientific equipment relates to the two financial years 1975-76 and 1976-77. The purchases made during the period 1976-77 amount to Rs 10.23 lakhs.
- 2. The purchases made were based on the recommendations of a Committee consisting of six members, all eminent scientists, renowned in their field. The recommendations of this Committee were produced to the audit last year. The purchases made during the year 1976-77 were still mostly from the list already approved by the Committee referred to above

The proceedings and recommendations of this Committee were also produced to an expert Committee on Maich 22, 1976 appointed by the U G C. to consider the University's request for allocation of funds and foreign exchange to enable the University to import the equipment recommended by the expert committee.

The file containing proceedings and recommendations of the Committee has been misplaced. However, communications were addressed to all the members to whom the list of equipment purchased were also forwarded and the members were requested to state whether these item had been recommended by them for acquisition by the University of Hyderabad. Replies from all the members have since been received certifying to the above facts.

These have been since produced to Audit and they have been returned by them stating that they have no remarks to offer.

3. Of the list of 5 items of equipment not installed at the time of the Audit, the Liquid Nitrogen Plant has since been installed.

Whereas some equipment which did not need air-conditioned surroundings, have been installed and are in use, some of the sophisticated instruments can be installed only in air conditioned rooms. The Instrumentation, Centre building is fast coming up and it is expected that the remaining instruments would be installed by the end of August, 1978. The construction of this building was connected with the finalisation of the Master Plan which for several reasons could only be done by December, 1977.

It is also to be noted that most of the purchases of instruments were made on the prices prevailing in 1976 or even earlier. If the pruchases had been delayed to 1977 the University would have had to incur an additional expenditure of 25% at least as prices have been going up.

(Approved by the Executive Council at its meeting held on 3-5-78)
